LOCAL DRAFT / NOT YET PUBLIC — not finalized; owner review required

Terms of Service

Operator: **[OWNER NAME / LEGAL IDENTITY TO BE PROVIDED]** · Contact: **[CONTACT METHOD TO BE PROVIDED]** · Effective date: **[DATE TO BE PROVIDED]**.

1. Demonstration service

TrendScout is a personal demonstration for exploring keywords and source evidence. Current local demo results are SYNTHETIC. Availability, source coverage and features may change; no production service or accuracy guarantee is represented.

2. YouTube API Services

Planned YouTube integration is PENDING APPROVAL and public live Fetch is disabled. When an approved feature uses YouTube API Services, users are also bound by the YouTube Terms of Service. YouTube-derived metrics or keyword processing are not currently approved.

3. Privacy and data

Read the TrendScout Privacy Policy and Google Privacy Policy. Retention, deletion and the contact method remain placeholders until the owner supplies and reviews them.

4. Appropriate use and limitations

Do not disrupt the service, bypass access controls, or use it unlawfully. Source positions are not search volume or purchase intent; inferred indicators are not guarantees or financial advice.

5. Other terms and contact

Governing law, dispute process and other legal terms: **[OWNER TO DETERMINE]**. Questions: **[CONTACT METHOD TO BE PROVIDED]**.

This draft has not been accepted on anyone's behalf and requires owner review before publication.
